Biophilic Design

G-Divider

Product Specification Sheet

Connect with Greenmood

G-Divider

A space divider ideal for placement in large interiors for privacy and noise reduction

G-Divider

A natural wall for privacy and acoustic comfort

The G-Divider is a moss-covered partition framed in an elegant oval-shaped metal structure. With moss on both sides, it enhances privacy, reduces ambient noise, and adds a strong biophilic presence to open-plan interiors such as offices, lobbies, or event spaces.

Design by: Alain Gilles

Specifications

-  Easy to maneuver and reposition
-  Choice of 3 fillings
-  Choice of 9 metal frame finishes
-  Double-sided moss panels
